• We welcome you or a representative from your program or organization to evaluate and scout the campers in attendance. Indeed, it is a great opportunity to evaluate 384 players in a tightly organized format in a short period of time. As usual, we will do whatever we can to accommodate your stay and recruiting efforts. Specific directions and lists of motel accommodations can be found on our camp web site (www.vabaseballcamps.com) via the Hampden-Sydney College link.
